NEW HIGH SCHOOL PLANS

OUR OLD HIGH SCHOOL

Superintendent's Message

The Falcon Annual Staff and Sponsor are to be congratulated for their work and achievement in producing a splendid annual for the school year 1962-63. This is a memorable school year which started and completed a new high school which is second to none and of which everyone should be justly proud.

Sincere thanks to the administration, faculty and most of all--to the students for portraying a very commendable American Way of Life, and by up-grading and advancing our standards, morals and ideals.

Best wishes.

V. E. Laas, Jr.

Principal's Message

This year, as in years past, I congratulate you seniors on your many accomplishments. I hope you will keep foremost in your thinking, that this is a mere beginning of your education in life, not a stopping point.

My best wishes for your success go with you always.

As for the undergraduates: have a good summer, enjoy yourselves, and in the fall we'll have another go at it.

Who else wears high-heeled tennis shoes,
Who else knows such a lot of news,
Who plays "omber" and doesn't lose?

Who else could give a "geekie" call,
Who else could play such great football.
